

Success Story

A young boy in a distressed condition approached the Front Office of this Authority on 13.09.2024, claiming himself to be a minor with a request that a suitable accommodation is required for his stay as he does not have a family and lives on a footpath.

The LSA on Front Office duty pacified him and had interaction with him. During a sympathetic interaction with the concerned boy, he also shared that he was a transgender person and also an HIV infected person.

The matter was thereafter reported to the Secretary, East DLSA. On the directions of the Secretary, East DLSA, the matter was discussed with the Child Welfare Committee (CWC)/East and after discussion, the Incharge of the Police Post of Karkardooma Courts was directed to produce the boy before the CWC.

Upon directions, the officials of concerned Police Post had a detailed interaction with him. During their inquiry, it was found that the boy was 19 years old and was not a minor, and has a family which stays at Noida.

Thereafter, the police took the aforesaid person to his home and handed over him to his father and his brother. The Police Officials also shared the photographs of the aforesaid person with this Authority.

Thus, with the active involvement and timely action of this Authority and the police officials, the concerned person was reunited with his family.
